ABSTRACT

This directory lists changes to the list of the low-income schools at which teachers with loans from the Federal Perkins Loan and national Direct Student Loan programs can have a portion of their loans canceled for each year of teaching service. A list of state agency contact persons precedes the main body of the directory. Listings are alphabetical by state, with additions to the list first, and then changes. Usually provided for each addition is the name of the school, its grade range, and the school district name. For changes in listings, information is provided for both the original listing and the new listing. (DB)

SUMMARY: Transmittal letter for Amendments to the 1997-98 Federal Perkins Loan and National Direct Student Loan Programs Directory of Designated Low-Income Schools for Teacher Cancellation Benefits.

Dear Colleague:

Enclosed please find a copy of the Amendments to the 1997-98 Federal Perkins Loan and National Direct Student Loan Programs Directory of Designated Low-Income Schools for Teacher Cancellation Benefits (Amendments), which updates the 1997-98 Federal Perkins Loan and National Direct Student Loan Programs Directory of Designated Low-Income Schools for Teacher Cancellation Benefits (Directory) published in October 1997. Federal Perkins Loan and National Direct Student Loan (NDSL) borrowers teaching full-time at these schools are eligible to have a portion of their loans cancelled for each year of teaching service.

Loan officers are hereby authorized to cancel portions of a borrower's Federal Perkins Loan or NDSL as a result of teaching at one of the schools in the Directory as updated by the enclosed Amendments. Please be sure to review all cancellation requests denied prior to receiving the Amendments to ensure that all eligible borrowers receive the appropriate cancellation and/or refund.

Please note that the enclosed Amendments may be used to determine Federal Perkins Loan/NDSL teacher cancellation benefits for only the 1997-98 academic year.

Questions pertaining to the Amended Directory should be directed to Sherraine D. Green of the Campus-Based Programs Systems Division, telephone number (202) 708-5774. Questions pertaining to the eligibility for cancellation benefits should be directed to Gail McLarnon or Sylvia Ross of the Policy Development Division, telephone number (202) 708-8242. Questions pertaining to the eligibility of an elementary or secondary school to be listed in the Directory should be directed to the appropriate State agency contact person (list enclosed).

Sincerely,

Diane E Rog
